

Do your patients require an MRI scan, but don't want to wait weeks or months under the NHS?

Then send your referrals to Guildford Diagnostic Imaging Centre at The Royal Surrey County Hospital

General MRI self pay scans, starting from:

£199 (14 days after receipt of referral)

£295 (next available appointment)

Bringing you increased diagnostic confidence

- The most **advanced** technology available for **superior** quality imaging (*4th generation TIM®*)
- **Wide bore** (70cm) short 3T system supports larger and claustrophobic patients through **sharper** image capture due to reduced anxiety related patient movement
- **Personalised** imaging with shorter scan times to accommodate all patients' needs including obese and kyphosis patients, as well as patients with respiratory, pain and mobility issues

Please send a referral letter using the contact details below:
