# Direct Access Non Obstetric Ultrasound Across Hillingdon

Alliance Medical offers a direct access Non Obstetric Ultrasound service for Hillingdon CCG located across our two imaging centres in London. The Non Obstetric Ultrasound direct access service allows GPs to refer patients direct without having to refer into secondary care, resulting in a faster service for patients.

The Alliance Medical Imaging Centres are based at:

10-11 Bulstrode Place  
London W1U 2HX

136 Harley Street  
London W1G 7JZ

**Tel :** 0845 456 8878 **Fax :** 020 7935 7715 **Email :** london@alliance.co.uk

## What can I refer for?

General abdominal (gall bladder, liver, kidneys, pancreas etc)

Gynaecological (pelvis)

Small parts (e.g. thyroid, testes)

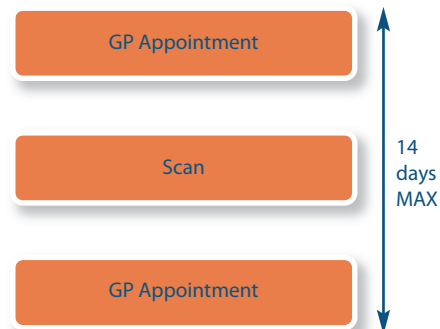

Non-interventional musculoskeletal examinations (e.g. shoulders, achilles tendon, soft tissue lumps)

Non-complex vascular (e.g. aortic aneurysm)

### Current Referral Pathway (via Consultant out-patient referral)

### AML Diagnostic Imaging Pathway (GP direct access)
