

There are multiple routes to the PET-CT centre, either through or around the hospital. Head for one of the entrances marked on the map. On entering the building follow signs for Institute of Transplantation or ask a member of staff. At IoT reception, take the lift or stairs down one level to the PET-CT centre.

Parking for disabled users is free when you display a blue badge

How to find Freeman Hospital

Freeman Hospital
Freeman Road, High Heaton,
Newcastle upon Tyne NE7 7DN

Public Transport

Freeman Hospital is situated towards the north of the city in High Heaton & can be easily accessed by public transport. High speed rail services from outside the region link directly to Newcastle's Central Station. There is a metro from Central Station to Longbenton Metro and it is a 10 minute walk to the hospital from there. For further details on public transport visit the Nexus Tyne and Wear Passenger Transport website www.nexus.org.uk

Car Parking

Please note: you cannot enter the hospital via Melville Grove as it is one way. Enter the hospital from Freeman road and follow signs to the multi storey car park (to the left of the hospital) or the main car park at the front right of the hospital. Take a Ticket on arrival and pay on exit. For the multi storey car park only use levels 0, 1 or 2.

Take your preferred entrance, follow signs for IoT, at reception, take the lift down to the PET-CT Centre.
